Central Board Minutes
June 9, 1955

The meeting was called to order by President Gary Jystad.

ACTIVITY CARDS

John Fowler told us that Mr. Breen wants to be able to punch the cards. There was discussion about this as there was opposition. It was brought up that season tickets to be given to the students for all games to counteract this. The decision was left up to the committee in charge.

COMMITTEES

Riddle moved the following names be accepted as submitted by the President for Publications Board. Crippen seconded. passed 6-0

Rick Lee - chairman
Genell Jackson
Delores Guilbault
Gary Cowan

SUGGESTED PROPOSALS FOR NEXT YEAR

Wunderlick suggested that folders be kept for committee chairmen with duties and amendments of committee. He also suggested that the committee chairmen come to Central Board to see what they should and could do.

TENNIS COURTS

Bruce stated that he saw President McFarland to see who was in charge of the tennis courts. President McFarland referred him to Mr. Pottle, as he was in charge. Because of the vague description of his job, Mr. Pottle was not aware of his responsibility. Wunderlich suggested filing all letters.

FACULTY VOTING

Jystad recommended faculty be removed from Central Board as a voter -- should be in only as advisor. He stated that the two members carry a 12% vote. Lambros suggested choosing of such representatives be done in accordance with Central Board rotating of faculty to better interest. If compromise is needed the above was a suggestion. Wunderlich stated that a break off is good but continuity is important. We have to expect errors if on our own, but must also remember we learn by doing. George moved we table this until the first meeting next year. Crippen seconded 6-0 passed.

PARLIAMENTARIAN

Jystad appointed Dick Riddle as Parliamentarian for next year.

ACTIVITY CARDS

Discussion continued --. Jystad stated that in the long run the cards will be for the benefit of all and we should go ahead and learn by doing. Fowler said project should be meritorious for students as ASMSU. If nice for faculty - that's fine, but primary concern is for the students.

LETTER

Larry Gaughan will take charge. It was stated that stationery was in the office and they could be taken to the clerical service for printing. It was decided not to send the letter to the seniors.

NORTHWEST STUDENT CONFERENCE

Lambros reported that the Northwest Student Conference would be held in Missoula on October 26, 27, and 28, 1955. He asked Central Board and Activities Board to help. Between 100 and 150 people are expected. He further explained that we will learn a lot about student union activities and through Activities Board the union will be a bigger and better place than it is and we should get as much out of it as we can. Wunderlich suggested that we shouldn't belittle what activities have done. A lot has been done that we don't realize. He also said that we should push for an activities director because Mr. Pottle's job is a two-man job.

CONVOS

Jystad stated that we should stress convos next year and we should have reports at Central Board from the Convo Committee.

STUDENT THEATRE CARDS

Fowler asked permission to be given to the Spurs and Bear Paws for the concession of selling student Fox cards next fall. The motion was so moved by Fowler and seconded by Lambros. Passed 6-0.

HELLO WALK

Fowler moved Hello Walk be changed to be the walk from the west door of the L.A. building to Aber Grove, and terminate at the intersection of walk at Aber Grove. Passed 6-0.

CLASS OFFICERS MEETING

At class officers meeting it was decided to award plaque to the outstanding activity. Lambros moved ASMSU buy a plaque that will not exceed \$25. Riddle seconded. Passed 6-0. Jystad stated it would be used to stimulate interest in Student activities for Outstanding Booth at the Activities jamboree. It was suggested that the plaque be wood with little metal plaques each year for the club winning the award.

Lambros moved the meeting be adjourned.
